

TRANSFORMING COMMUNICATION

Experience the power of the 5 Leadership Voices. In this series of interactive workshops, you will discover your foundational voice, learn how to communicate with the other voices in the room, and improve performance.

The Five Workshops:

1. Discover Your Leadership Voice - Learn the behaviors and value of each of the 5 Voices.
2. The Power of Your Voice - Celebrate your contribution to the team and learn the negative impact your Voice can have on other.
3. The Art of Collaboration - Learn to leverage and trust the strengths of your Voice.
4. Optimizing Team Performance - Learn how to create alignment and synergy.
5. Team Kryptonite - Apply practical tools to avoid the five main reasons people don't achieve their potential.
